

Nature Parties

at the Environmental Education Center!

All parties start with one hour of staff-led activities and games plus a craft to take home. The second hour consists of a one-hour ramada rental to be used on your own. Decorating the ramada is on your own; you may begin setting it up a half hour before the party begins. Descriptions below are general examples—actual activities may vary.

Wild Child (designed for 3-12 year olds)

Let the children be “WILD”! Activities include animal crafts and wild games such as Animal Olympics. Party will end with a live snake demonstration and feeding!

Garden Party (designed for 3-6 year olds)

Perfect for your little nature lovers! We will decorate small pots and plant seeds in them to take home! Guests will then explore some of the plants in the park and play garden games!

Bugs! (designed for 3-6 year olds)

Partygoers will participate in a fun outdoor “bug hunt” and create their own bug craft. Guests will also decorate bug boxes to take home as favors.

Nature's Palette (designed for 3-12 year olds)

Let the creativity flow! Children will enjoy a variety of eco-art projects, which may be created with natural or recycled materials.

Geocaching (designed for 7-15 year olds)

Guests will enjoy searching for hidden geocaches using GPS units. Great for any geocaching fan as well as those new to geocaching! Guests will go home with their own geocoin as well as a souvenir geocache sack.

See additional party options on reverse side

Eco-Quest (designed for 6-12 year olds)

The outdoor adventure of the year! Children are divided into teams for a fun treasure map hunt that will lead them through Veterans Oasis Park.

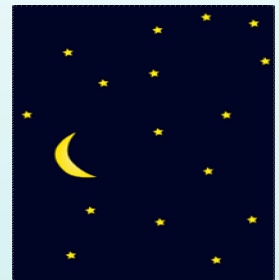

Orienteering (designed for 7-15 year olds)

After a short introduction to the sport of orienteering, partygoers will use a compass to navigate an exciting and educational course through the park.

Camp-Out! (designed for 6-12 year olds)

Experience all the fun of camping while staying in town! Children will enjoy traditional camping activities such as pitching tents, making s'mores, taking a hike, and more! (This program does not include an overnight stay)

SPECIAL NIGHTTIME PARTY

Night Sky (designed for 6-12 year olds; offered Tuesday evenings only)

A cosmic event! Children will love this special nighttime party that features sky exploration with telescopes, space-themed games, and more! Guests will take home a decorated, glow in the dark t-shirt as a party favor.

For more party details including reservation information and cost, please see the Party Request Form.
